<https://guides.himmelfarb.gwu.edu/APA/av-youtube-video> (How to cite you tube videos)

Use those resources with proper in text citation according to APA 7th Edition format. Students have to research and find out at least two, maximum four, secondary sources. These sources must be scholarly, which means only journal articles, books and you tube videos published under a reputed academic channel can be used. However, please be mindful that you must properly cite and use resources which we have covered in class. Create a works cited page at the end of your answer on a separate page.

Upload pdf files on Turnitin. While submitting the file name should be organized as follows:
